TIME TIMETABLE:	
RECOMMENDED ACTION: For Council Approval	

BACKGROUND AND ANALYSIS

The Town Council voted unanimously to approve new dune end trash enclosures for 3 beach ends during the December 2021 Town Council meeting. The cost of wood and supplies have gone up driven by levels of demand of supply chain issues.

Public Works is building enclosures for the following streets: Atlantic Street, Dagsboro Street and James Street. They are being built with wood using 2x4's , plywood flooring and viny exteriors with a rope line for a door to save on costs as voted on by the Beach Committee.
